## CERTIFICATION OF COMPLIANCE

**TO:**

**FROM:** Michael Pellegrini  
Ferro Corporation  
724-223-5832

**DATE:** October 21, 2009

**SUBJECT: EU Restriction of Hazardous Substances (RoHS) legislation  
CUSTOMER CERTIFICATION REQUEST RESPONSE**

This certification applies to :

LMM-6018

**We certify that no lead, mercury, cadmium, and hexavalent chromium were added intentionally to the products identified above.**

Analytical work is not completed for every production batch, but random sampling done to date shows the total concentration of lead, mercury, cadmium, and hexavalent chromium is as follows:

Lead = <10 Parts per million  
Cadmium = <10 Parts per million  
Mercury = <10 Parts per million  
Hexavalent Chromium = <10Parts per million  
PBB = <250 PPM  
PDB = <250 PPM
